### **ADDING PRODUCTS TO A SET PACKAGE**

You can add further products or prints to any of the above set packages (excluding additional hours). Please note that products included in the above set packages cannot be swapped for another product, irrespective of the cost.

### **CREATE YOUR OWN PACKAGE**

You are able to create your own packages by picking the amount of hours that you require me for, plus any additional products you may want. Photography hours for creating your own package are chargeable at £55.00 per hour. This rate includes up to two hours total travel (further travel may incur an additional charge), photography work and all editing of your images. When creating your own package; discs of all finished, edited images are chargeable at £150.00 each and an online gallery protected by a password is chargeable at £20.00. Please see other price lists for further products and prints.
